POSITION STATEMENT

Greetings, fellow Parrot Heads!

I am Cathy Edwards, and I'm running for the position of Secretary of Parrot Heads in Paradise. My first Buffett experience goes back to before Come Monday at a small music venue in Atlanta called The Great Southeast Music Hall. By the time Come Monday hit the radio, I already considered myself a loyal fan. As most of us would likely claim, I've been living my life with a soundtrack of Jimmy Buffett and all those awesome trop rock acts we all love. I discovered the Atlanta Parrot Head Club in 1996, joined in 1997, and threw myself into the wonderful experiences the Parrot Head Nation has offered me.

In 2004, I was elected as a member of the Board of Directors of the Atlanta Parrot Head Club, and I considered it an honor and a privilege. In my last year on the Atlanta Board, I became a Regional Communicator for the Southeast Region of PHiP along with Charlotte Wright. It was and continues to be quite a learning experience. I learned about the ins and outs of running a parrot head club (or, herding cats, as we often refer to it). I've participated in the rewrite of Atlanta's bylaws and in assisting other clubs as they tackled the same task. For my own club, I have served in various capacities, including community service chair and membership chair. I have participated in the organization and presentation of Parrot Head Cruise, presented on by the Atlanta Parrot Head Club. I was re-elected to the Board of Directors for Atlanta in 2011. Now that my friend, Deb McCall has decided to step down from the position of Secretary of PHiP, I decided that I would like to serve this Parrot Head nation. I have read the by-laws of PHiP, the requirements of the position, and am fully confident that I bring the requisite skills and experience to work with and for our Board of Directors and general membership. I can act as a reliable liaison between the clubs and the executive committee. I have learned over the years I have worked in law firms to deal with a wide spectrum of personalities. While I can make

decisions in a crunch and provide documentation in support of same, I am a team player and prefer to work toward consensus. I look forward to demonstrating to you all what I have offered here for your consideration. Thank you for all that you do in your clubs; it is your hard work and dedication that inspires me to want to serve you as Secretary of PHiP.
