## Captain's Logbook — Sixth Entry — July, 2022

### Changes in Latitudes, Changes in Attitudes

Well, we managed to get through the pandemic (mostly) and had Meeting of the Minds 2021! That was our goal to bring it back! Only we found out that our host hotel is going through a renovation. SO while we are able to host MOTM at the Casa this year (luckily the team talked them into one more round!), it became clear that 2023 is NOT an option. Even if it was an option, as we are seeing this year, the price of a hotel room is out of reach for many of our members. 2023 is looking grim for a return to Key West. Sadly, while we all love Key West...we have to look out for our members and be financially responsible with putting on a great event!

This may result in a change in latitudes. There are always opinions, but once the dust settles, we hope the final decision and location will change some attitudes as well. But we have to remember that we have over 200 clubs and 20,000 members! We want to see our clubs grow, and when our clubs grow our events grow, including Meeting of the Minds.

Our IT team was sneaky, and many of you may not have even looked or noticed that our website is NEW! This is all part of our plan to upgrade and modernize our site. Social media is being used, and there will be a format to submit membership and interim reports electronically coming fast! Again, baby steps but changing some attitudes. Change can be hard, but imagine (Club Leaders) that when you submit your first report and start adding to it, we continually have it as an ongoing live document, and we already have your membership information in a database. All you have to do yearly is update your records and confirm they are right, and we just invoice you for your membership dues. No packet, no mail, no email, no printing! How could it get better? LET ME TELL YOU!

**The Masthead** ... A blustery day on the beach, the Trade Winds blowing hard. It's hard to reason with the season, but I must confess, we could use some rest. So relax and enjoy the *Tradewind Times*.

Once we have all of your member information, EVERY member will get individual access to the members only section that will have member benefits. We want there to be benefits to being a club member. This helps with member retention and getting new members. Expect everything from discounts on Margaritaville Cruises, Margaritaville shopping, SaltLife discounts, rent a car special rates, and everything we can think of to get for you!

As JB says, nothing remains quite the same. It has been a crazy couple of years, but if we couldn't laugh, we would all go insane. Let me tell you, we have done a lot of laughing!

Fins Up!

Billy Brehm, President  
Parrot Heads in Paradise, Inc.

## Club Interim Reports Are Now Due

The Interim Report is simply a brief free-form emailed synopsis of your Club's charitable, civic and environmental activities for the period 01/01/22 - 06/30/22. There is no template to follow. It should contain who, what, when & where and should provide a contact name, if appropriate. ALL Chapters must file an Interim Report ... If there is nothing to report, please so state.

Please attach a list of current board members. Include position, home address, phone number and email.

## New Faces, Old Favorites to Grace MOTM's Beach Stage

by Rob Hill, MOTM Co-Chair

It was this week in 1977 that a country singer seeking to make a name for himself hit his career peak on the Billboard Hot 100 with a song about a tropical drinking binge and a lost shaker of salt. How amazing is it that 45 years later, a Buffet-inspired artist named Niko Moon is again bringing our music to the top of the charts. Niko hit the top number one on the country charts in 2021 with his hit single "Good Time," the music video viewed over 50 million times. And he's just getting started. Following his success as a songwriter, having penned several Zac Brown tunes, Niko's song and album "Good Time" marked his entry into the world of performing, and he's generating a lot of buzz

with his beach and summer-themed music. His first of two summer EP releases Coastin' debuted at Number 3 last month on the I-Tunes Country Chart, with the first single "Easy Tonight" leading the way and cracking the Radio Margaritaville playlist.

What's even cooler is that the guy taking trop rock back to the top of the charts is among the headliners at the 30th Annual Meeting of the Minds, brought to you by Margaritaville Island Reserve Resorts. The 30th Anniversary edition of the Parrot Heads in Paradise Convention is shaping up as the epic celebration that it ought to be, coming up November 2-6 in Key West.

Niko is one of three national headlining acts that will take the [MyWorldMeds.com](https://www.myworldmeds.com) Beach Stage on Friday night, joined by first-time MOTMers The Wheeland Brothers, with the rising stars sandwiching the legendary Mac McAnally, and Chicago's Johnny Russler and the Beach Bum Band kicking off the Beach Stage festivities Friday afternoon.

## MOTM Preview (Cont.)

World Music Saturday night's blockbuster beach stage lineup features an unabridged Coral Reefer Band, featuring Club Trini and guest vocalist John Frinzi. The Reefers will be preceded earlier in the day by full band sets from faves Donny Brewer and Thom Shepherd and then surrounded by some of the biggest names of the 21st century in reggae music. With an astonishing five Billboard Number One albums, Mishka will set the tone for the evening, and following the Coral Reefers performance, Grammy winner Gramps Morgan and his band will bring it home with "positive vibration" on the final night of the event.

Thursday night beach stage sounds will include the brilliant songwriting and harmonies of the Gainesville-based Sister Hazel, recognized by the Margaritaville Blog as one of about a dozen acts that you must see in live performance, and the great guitar work and vocals of the Peter Mayer Group, with the two headliners wrapped on both ends by two of the most popular Buffett/Trop rock cover bands on earth, Jimmy and the Parrots and Gary & The Landsharks, making their first return trip to MOTM since they were joined by Buffett himself in an impromptu street concert in Old Town at the first Key West MOTM in 1998.

Opening night Wednesday highlights some of the best female songwriters in the phamily with Coley McCabe's Girls Just Wanna Have Rum, featuring Coral Reefer Nadirah Shakoor, reigning TRMA Female Vocalist Erica Sunshine Lee, longtime Parrot Head fave Heather Vidal and rising star Claire Wright. They'll be preceded by Desperadoes, an Eagles Tribute fronted by TRMA Entertainer of the Year Donny Brewer and Male Vocalist of the Year Mike Nash. And of course, the beach stage festivities, in accord with MOTM tradition, begin with the legendary James "Sunny Jim" White.

## MOTM 2022 Preview (Cont.)

There's lots more music at MOTM22, including dozens of singer-songwriters featured at the Lighthouse Songwriter Showcase with host Kelly McGuire, broadcast on Songwriters Island Radio and presented by Margaritaville Vacation Club. And for the first time, Pirates and Poets present four songwriter showcases, two each on

Wednesday and Sunday, the latter leading to the grand finale of the 30th MOTM, which ends as the first one began - with Jerry Diaz and Scott Nickerson singing a Buffett song. Jerry and Scott will close it out on the Pier Stage overlooking the water where the Atlantic Ocean meets the Gulf of Mexico.

Rooms at the Casa Marina sold out almost instantly when registration opened in March, but there are about ten remaining ocean-facing luxury rooms and suites remaining as part of the VIP Room Bundles, which include one VIP admission, a special VIP gift bag, access to a VIP lounge and on-site and a choice of one of three themed morning breakfast cruises. Thursday's cruise features a unique cover-to-cover performance of Jesse Rice's soon-to-be-released and long-awaited Pirate Sessions V record. Friday's Funny Fellas Floatin' cruise features lots of laughs with Bill Whyte, Brent Burns, and Stoney Gabel. And Saturday's Trop Rockin' Tomorrow showcase cruise features young trop rockers Claire Wright, Bryton Stolls, Godiva and Isabella Stefania.

- Scrolling Slideshows exist and will be used to highlight sponsors and advertisers along with PHIP club awards (ie. club of the month, golden coconut, ... etc.) and special PHIP activities/events.
- There's an interactive map of local chapters throughout the country. This map will be updated with the information collected from the mid-year club information and anytime we receive notice of outdated information. This map is envisioned to be one of many vehicles that facilitate and drive new membership enrollment. It's also a convenient way to plan your vacations and see if you will be within drinking distance of nearby chapters. Monthly meeting places and contact information are available to help connect with other Parrotheads while you're away from your local nesting grounds.
- There is a section that displays all PHIP social media feeds embedded on the website. You can easily get a quick view of the live and current posts that are occurring all in one concise place without having to visit each social media page individually. Come here and sip your favorite libation while viewing our social media wall.
- A new PHIP google calendar will be frequently updated with new and upcoming major chapter events channeled through the Regional Coordinators. Clubs can provide content to their RC's to be placed on this calendar for major yearly events. This is another way to aid in increasing member engagement and help entice new club membership and registration.
- Another page section contains posts from the PHIP Board members used to raise awareness and attention to breaking news, random announcements, events and activities concerning all Parrot Head Chapter members.

### Future planned updates:

- A new on-line form has been developed to streamline the process of submitting the mid-year club information to PHIP. Part of this form will allow clubs to voluntarily provide a copy of their current club roster in hopes to provide insight to further aid in streamlining the submission of the yearly club registration, payment and membership information.

- A “Members Only” section with login and user accounts. This section will be driven by the membership rosters provided by clubs during the mid-year submission and the yearly club registration. Clubs providing membership rosters will inadvertently be providing advanced access to their club members to be invited to enter the members only section of the website that will contain special privileges and member benefits (to be announced by the PHIP board sometime in the near future).
- The ability for local clubs to host their websites for free (as subdomains under the PHIP domain) and obtain commonly used WordPress plugins for site development and maintenance.
- NOTE: Announcements detailing the specifics concerning PHIP website hosting for the chapters will be emailed to the club leaders around the August/September timeframe.
- Provide a better interface when viewing the site from your mobile or tablet. Currently some of the sections may be a bit cumbersome when viewing by phone but this is currently being addressed to result in a pleasant user experience whether accessing the site via laptop or mobile.
- Establish a website working group and support team to support local clubs with website creation and maintenance. An imminent goal is to provide local clubs with solutions and suggestions to help build their social platforms and website presence to engage existing members and also lure new membership.

MOTM breakout session topics are currently being formulated. If you have any suggestions please let us know.

## Sharpen your Pencils, Dust off the Ink Quills It's Golden Coconut Season

After all, it's the most coveted club award in Parrot Heads, but one your club can win.

It's time to write your Golden Coconut essay.

Entries for the 2022 Golden Coconut Award of Excellence, presented by a representative of Margaritaville, Inc., will be accepted via email from July 1st, 2022 until August 31st, 2022.

For all the new clubs and new leader's out there, here's a little history lesson:

In 1996, Margaritaville and Parrot Heads In Paradise, Inc. decided to create an award to be given to a deserving Parrot Head Club, emblematic and in recognition of the outstanding Charitable and Environmental efforts of ALL Parrot Head Clubs.

Today, competition for the coveted award is waged through a "blind essay" submitted to an illustrious panel of judges composed of previous Golden Coconut Award recipients.

If your club hasn't entered or has entered in the past and didn't win, then you should submit a first-time entry or enter again!!!

Did you know:

\* Many clubs who submit a blind essay for the contest have submitted an essay before?

\* Many clubs don't enter because they think it's based on membership or fundraising numbers.

**NOT TRUE!!**

**Here are a few hints that might help:**

1. **BE CREATIVE!!** (if it looks boring & not fun to read and it really has nothing but fundraising figures, it's probably going to get a low score). Make it fun to read! We know you all are creative out there! You show your creativity in your concert attire, tailgating, event decorations and events! Put that same creativity to paper!!

## Golden Coconut (Cont.)

**2. Read last year's winning essay, as well as previous winning essays!!** They are posted at: <http://www.phip.com/club-winners>.

Use their creativity as a Guideline!

**3. You can't win if you don't enter!!** The Golden Coconut Award is like winning the Lottery of PHIP and gives your club membership into a very unique and small group of Clubs who use their win to their advantage! You have bragging rights to use on your website, on your club merchandise! You know you love to talk about your club to anyone who will listen!! Imagine telling a potential sponsor of your event or club that *your* club is a Golden Coconut Winner and then explaining what it stands for!! **We know you can be loud & proud.. put that spirit down on paper!!**

**4. Follow the rules!!** Yes, we gotta have some stinkin' rules ... (as all contests do, see sidebar to right).

**5. Don't have time to write a blind essay to submit??** I would be willing to bet that you have someone in your club who is a creative writer! Tap them as a resource!! There is NO rule that the Golden Coconut must be written by a Club's Officer, the GC just needs to be submitted by the club's contact!! Sometimes a member who would love to contribute in some way just needs to be asked!

**6. Every chapter, with the exception of previous Golden Coconut recipients [from 2017 to 2021](#), regardless of size or age, has an equal opportunity to win this most coveted designation!**

**CONTEST CLOSES AUGUST 31st, 2022.**

Get that creativity going NOW!

This would be a great time to put your thoughts down & still have time for edits.

**Good luck!!**

Eric Babin

Parrot Heads in Paradise, Inc.

Director of Membership

## Cruising with a Purpose?

### You do if you're the Atlanta PHC

The Atlanta Parrot Head Club was proud to bring back the magic when they resumed their primary philanthropic event, Parrothead Cruise 2022, in March of this year. 185 Parrot Heads representing 36 PHiP-chartered clubs sailed aboard the Norwegian Joy. Onboard they were entertained by Jim Asbell, Paul and Kristie Bobal, Barefoot Reggie Starrett, Scott Kirby, Brendan Mayer, and Peter Mayer. The Parrothead Cruise is a party with a purpose, raising over \$10,100 for breast cancer. To date, the Parrothead Cruises have raised over \$330,000 for charity.

Atlanta Parrot Head Club is already looking forward to Parrothead Cruise 2023. Over 300 people are already signed up to be gypsies in the palace as they sail aboard the Norwegian Escape in March of 2023 heading to the Dominican Republic, St. Thomas, Tortola and the Bahamas. Onboard they'll be entertained by Brent Burns, Drop Dead Dangerous, Barefoot Reggie Starrett and Three Boat Drunks (Dyke, Mike and Howie). Registration is open now. Please visit [www.parrotheadcruise.com](http://www.parrotheadcruise.com) for all of the details and to sign up.

## Beating the Heat with a Purpose

Yes, it's hot in Texas, but not too hot for San Antonio PHC to help a variety of community organizations. In April, their charity of the month was the Battered Women's Shelter, and \$600 worth of hygiene items and clothes for children were collected and donated.

In May, they held their annual beach weekend event, "Survive" at Port Aransas at the coast on May 19-20 and raised \$800 for the Alzheimer's Association and \$1,000 for the Amos Rehabilitation Keep, an animal rescue organization for coastal and sea life.

In June, they collected 25 box fans worth \$625 for Project Cool, a United Way program to provide fans for elderly, had 26 members worked at the San Antonio Food Bank filling boxes and had 14 members volunteer at their quarterly highway cleanup along a designated 2 mile stretch of road on N.W. Military Highway.

## PARTIES & PURPOSES PARROT HEAD UNIT

Hardy groups of partiers always find ways to provide much needed help to their communities. They are known as Parrot Heads. These are their stories .

New Smyrna Beach PHC had a House Concert with Jimi Pappas and a 50/50 for "Cudas Unhooked" They Support the Homeless Teens in our area to get thru High School and some even move on to College.

The Parrot Head Club of Eastern Mass. volunteered at the Special Olympics in Barnstable on May 14th and 22nd handing out medals and smiles all day long. They were then asked to dress in Disney finest and DJ and host the dance for over 500 Special Olympic athletes at their dance June 11th.

Coastal Jersey Parrot Head Club once again supported the local American Cancer Society Relay for Life of Northern Ocean County on June 10. After a 2 year in person shut down because of covid restrictions, everyone was happy to be back on grounds at Windward Beach Park in Brick NJ. Their team raised over \$3000 online in donations. .

Padre Island PHC of Corpus Christi held Beach Bash 2022 "Live Like Jimmy Buffett" with Music, Food, Fun on and at the Beach; a Silent Auction of donated items and a Booze Wagon Raffle. After the event a \$4500 check presentation was made to the Texas Sealife Center.

Central Oklahoma Parrothead Association raised \$3500 for Roatan Children's Ministry and packaged 7150 equivalent meals at the local food bank.

PHlock of South Jersey had a beach clean up in Brigatine, NJ on April 9th and sent \$500.00 to our local charity, Camp No Worries, a camp held every year for children with cancer.

## Squalls on the gulf stream, Big storm comin' soon

When a natural disaster strikes, the Lone Palm Foundation is here for you.

We are the 501(c)3 charitable arm of PHIP, Inc. providing financial relief to sanctioned PHIP, Inc club members via the Parrot Head Emergency Phund.

The purpose of the Emergency Phund is to aid Parrot Heads with financial assistance during difficulties resulting from a natural disaster. The Phund is maintained by the Board of Directors on the Lone Palm Foundation and applications will be reviewed by this board. Assistance approval is based on Board review and availability of funds.

Guidelines can be found at:  
<https://lonepalmfoundation.org/emergency-phund-guidelines/>

One of our biggest fundraisers is the annual "LIVE Auction" held at Meeting of the Minds. This year's auction is scheduled for 11:00AM on Saturday, November 5, 2022 following the PHIP, Inc General Meeting in the BallRoom at the Casa Marina Resort. Offering a variety of Buffett memorabilia at all price points, this is a must attend event for all Parrot Heads.

**\*\*\*Something NEW this year will be "POP UP" auctions from the mainstage featuring some of our BEST items in our collection.**

**Together, we can make a difference. We are "Parrot Heads helping Parrot Heads".**

President, Lone Palm Foundation

## Club Website Judging Begins August 15

Parrot Head clubs should not underestimate the importance of having a good website. Your club website is where you tell potential new members your story about Parrot Heads, about your club, about the fun you have helping others in your community. Your club website is also a nexus of information about your club activities that members can use wherever they have internet access. Therefore, you want it to be easy to access and find topics, visually appealing to guests, and as much as possible, creative with our special Parrot Head flair. A good website can make event registration a breeze, keep track of membership and sell club merchandise.

With that in mind PHiP has created a club website contest, now in its second year, to recognize those clubs who are the best at creating and maintaining their websites, and to give the rest of us an opportunity to learn from them.

Now's the time to get your website up to date and looking good.

All Club websites are eligible for the contest except the past five winners. The contest started in 2020 so there are two previous winners, the [Villages Parrot Heads Club](#) and [Forgotten Coast Parrot Head Club](#). Take a look at their websites to see what a winning website looks like.

All websites will be judged and finalists will be decided chosen beginning August 15, 2022. A second group of judges then review the finalists, and winners are chosen.

### PRIZES:

- 1st Place ----- \$300 donation to your local charity of choice,
- 2nd Place ----- \$200 donation to your local charity of choice,
- 3rd Place ----- \$100 donation to your local charity of choice.
